SBA Disaster Assistance Available to Private Non-Profit Organizations in Indiana; Adds 11 Counties

ATLANTA – The U.S. Small Business Administration announces that certain Private, Non-Profit Organizations (PNPs) that do not provide critical services of a governmental nature may be eligible to apply for low interest rate disaster loans. These loans are available as a result of the Presidential Disaster Declaration for Public Assistance resulting from damages caused by severe storms and flooding on May 30, 2008 through June 27, 2008. SBA also announces that Adams, Benton, Fountain, Gibson, Hendricks, Jay, Marion, Montgomery, Posey, Switzerland and Wabash counties have been added to the declaration.

PNPs located in the following counties are eligible to apply to SBA: **Adams**, Bartholomew, **Benton**, Boone, Brown, Clay, Daviess, Dearborn, Decatur, **Fountain**, Franklin, **Gibson**, Greene, Hancock, **Hendricks**, Henry, Jackson, **Jay**, Jefferson, Jennings, Johnson, Knox, Lawrence, Madison, **Marion**, Monroe, **Montgomery**, Morgan, Ohio, Owen, Parke, Pike, **Posey**, Putnam, Randolph, Ripley, Rush, Shelby, Sullivan, **Switzerland**, Union, Vermillion, Vigo, **Wabash** Wayne and Washington in the State of Indiana.

Examples of eligible non-critical PNP organizations include, but are not limited to, food kitchens, homeless shelters, museums, libraries, community centers, schools and colleges.

For PNP organizations of all sizes, the SBA offers Economic Injury Disaster Loans to help meet working capital needs, such as ongoing operating expenses. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 4 percent with terms up to 30 years. Loan amounts and terms are set by the SBA and are based upon each applicant's financial condition.

“PNP organizations are urged to contact their County Emergency Managers to obtain information about local briefings. At the meeting, PNP representatives will provide information about their organization”, said Frank Skaggs, Director of SBA Field Operations Center East.

This information will be used to submit a “Request for Public Assistance” which FEMA uses to determine if the PNP provides an essential governmental service and meets the definition of a “critical facility”. Based upon that conclusion, FEMA will either refer the PNP to SBA for disaster loan assistance or possibly provide a “Public Assistance” reimbursement grant for eligible costs.
